

It's That Time of Year to Light the Scholarship Tree!

At this time of giving ...

It is a privilege to continue to provide financial support to our deserving students, and each year our "Light the Tree" campaign provides our membership the opportunity to come together in this effort ... to provide scholarship assistance to our graduating scholars. In the past 9 years our ASAA Scholarship Program has given over \$54,000 to 27 entering college students who have attended 16 different colleges and Universities, preparing for successful careers in over 17 areas including research, agriculture, business, and education.

The work goes on ...

Our work is not done ... Every year we receive applications from exceptionally qualified students ... and higher-education costs continue to rise! We need to continue our efforts! Our fund-raising effort last year was a "tree-mendous" success ... let's do it again!

Every Member can Help ...

Be a part of our fund-raising effort so that we can continue to encourage and support our young people as they pursue their college and career dreams.

Light Our Tree ...

We have set a goal of raising \$5,000 between now and January 12, 2025. For each \$50 in donations received, we will illuminate one of the lights on our giving tree. Yes, there are 100 lights on the tree! ... enough for every ASAA member to participate and be a part of supporting our Scholarship Fund and our future scholarship recipients.

Will YOU Join Us ?

Every gift, large or small, will help light our tree, and light the futures of our students. Will you light the tree with us? Illuminate as many bulbs as you choose! When we reach our goal, we'll celebrate and light up the star as well! Visit our web site at www.allslavonic.org to watch our tree grow in brilliance over these next few weeks!

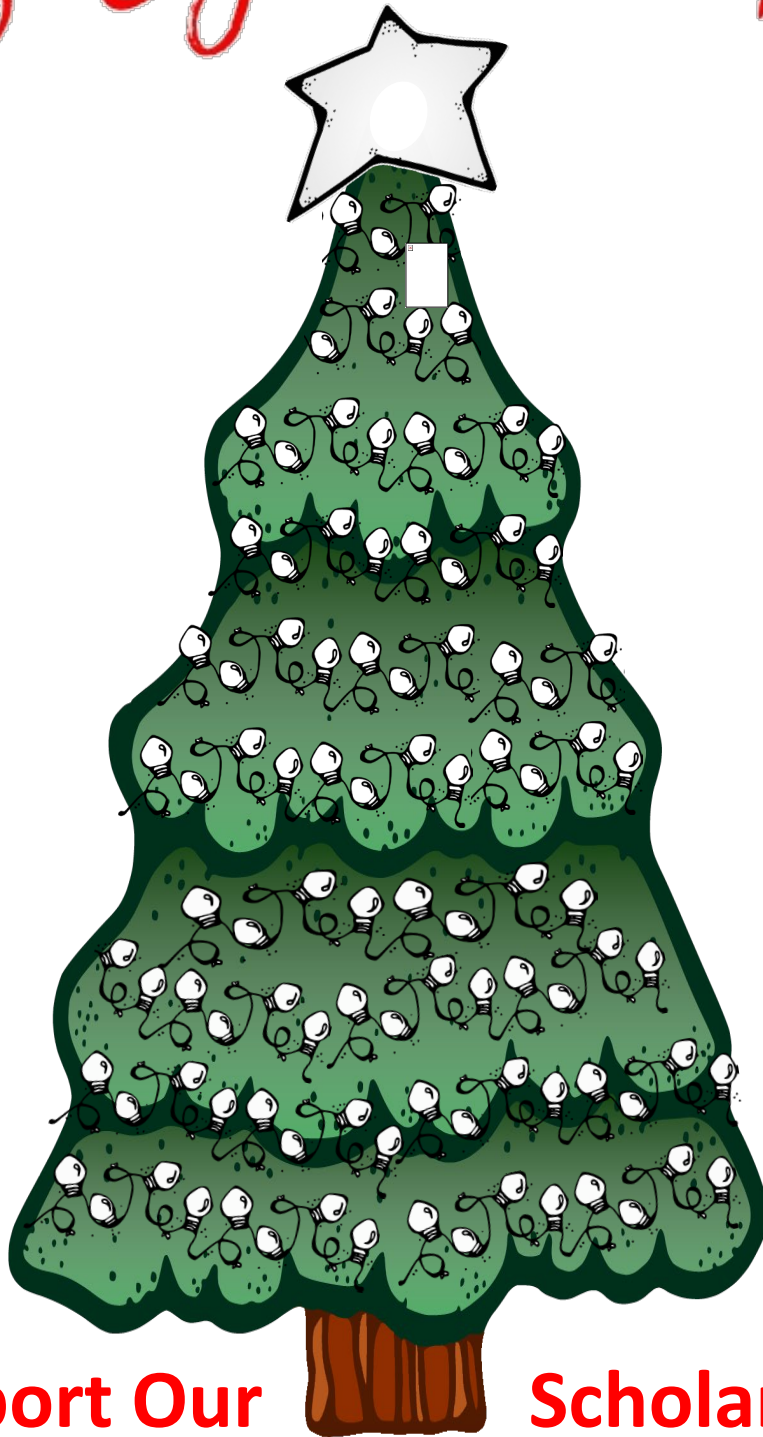

Please make your checks payable to All Slavonic-American Association and send to our Scholarship Chair:
